FOR YOUTH DEVELOPMENT™
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Do you like to read to children? Can you spare just three hours a month?

If you answered YES to both of these questions you could, quite literally, be changing the life of a child!

Project Cornerstone's ABC program provides our children with the tools and skills to thrive.

Each month a school wide book is read in every classroom. The book and discussion teach life skills and tools to deal with social conflicts. ABC gives students a safe and caring place to talk about their feelings, experiences and concerns.

ABC gives our entire school community, from principal to student, a shared vocabulary and collective strategies for dealing with difficult situations both in school and out.

Becoming a Project Cornerstone ABC reader involves:

- Attending an hour-long meeting, once a month, to learn about the book, discussion points and planned activities
- Preparation and reading the book in your child's classroom, leading the discussion and delivering the activity.

Become one of our ABC readers. Help make our school a safer and more caring place to learn and grow. Contact: Smita Banerjee, gossipoint@yahoo.com, Haydee Wong, haydeewong@comcast.net, or Joann Martin, joann.liao@gmail.com.
